David Ruback

The 14th Annual David Ruback Memorial Golf Tournament

The 1st Annual David Ruback Memorial Golf Tournament was established to honor the late David Ruback. “Coach Dave” was diagnosed with Stage 4 Pancreatic Cancer on April 17, 2012. The disease was just too far along for any type of treatment to help and Dave passed away on May 22, 2012. Dave was 56 years old, married and the father of two adult sons. His immediate family now includes his wife Marcy, son Joe and daughter—in-law Liz, grandchildren William, Connor & Ellie Rose, and son K.C. David was the President of Radio Engineering Industries, a volunteer coach of the two-time national champion Nebraska Red Dawgs Junior Wheelchair Basketball Team and the five-time national champion Nebraska Junior Barons Wheelchair Softball Team, and also served as Treasurer of the Nebraska Chapter of Make-A-Wish.

Two days before Dave’s passing the NWBA Junior Division Executive Committee announced the formation of the David Ruback Legacy Award. This award is designed to honor parents of NWBA Junior Division athletes who go “above and beyond the norm” for the betterment of the junior division. David Ruback was the classic example of that commitment. His tireless devotion to the kids will never be forgotten.

K.C. Ruback, Dave’s son, completed his playing career with the Nebraska Red Dawgs in 2006. Even though his son no longer competed for the team Dave continued his association with the Nebraska program and helped coach them to NWBA National Championships in 2008 (Junior Division Prep and Junior Division Invitational Tournaments) and Junior Division Varsity Championships in 2011 and 2012. His leadership is seen in all aspects of the Nebraska program, from coaching to recruitment and fundraising.

This tournament will allow individuals and companies to gather once per year to honor this great man and all he did to help kids with disabilities flourish. All proceeds from the tournament will go to help our parent organization NAS (Nebraska Adaptive Sports) a 501(c)(3) non-profit organization.

The purpose of NAS is to provide athletic and recreational opportunities to children and adults in our communities who experience physical disabilities. NAS members may have been born with physical disabilities or may have acquired them through accidents, illnesses or through working to guarantee freedom as part of the United States military. Because of physical limitations, our athletes are not able to participate in able bodied sports and are not served by sports programs that focus on the developmentally disabled.

We appreciate you taking the time to consider our event knowing there are many fundraising opportunities and events you have the option of choosing.

From all the kids, parents, NAS Board of Directors and athletes . . . Thank You!

Nebraska Barons 13-time World Series Champions
